FTC et al. v. Quincy Bioscience Holding Co., Inc. et al. (No. 17-cv-00124-LLS)

Dear Judge Stanton:

Re:

Louis L. Stanton

Plaintiff the People of the State of New York, by Letitia James, Attorney General of the State of New York ("NYAG"), respectfully requests a pre-motion conference concerning the NYAG's proposed cross-motion for partial summary judgment with respect to this Court's personal jurisdiction over the claims asserted against Defendant Mark Underwood by the NYAG. For the reasons outlined in the NYAG's Opposition to Underwood's Motion for Partial Summary Judgment, filed contemporaneously herewith, the NYAG is entitled to summary judgment on the issue. In the alternative to a pre-motion conference, the NYAG respectfully requests that summary judgment be granted in its favor.

Respectfully submitted,

/s/ Kate Matuschak
